Sensory Storytime at my library.

Sensory Storytime will be a small group of children (10 children or less).

A parent or caregiver will stay with each child.

We will read books, sing songs and play.

Each Sensory Storytime may have a different book and different activities.

A visual schedule will show me what we will be doing each time.

There are Children's Librarians at my library.

There may be a different Children's Librarian each time I come to the library.

The Children's Librarians can help me pick out books I might like.

If I check out a book, I get to borrow it to take home to read.

We will return any books I check out on another day. Then someone else will get to enjoy those books.
