

I am green today
I chirp with joy like a cricket song.

I am gray today
Gloomy and down like a morning fog.

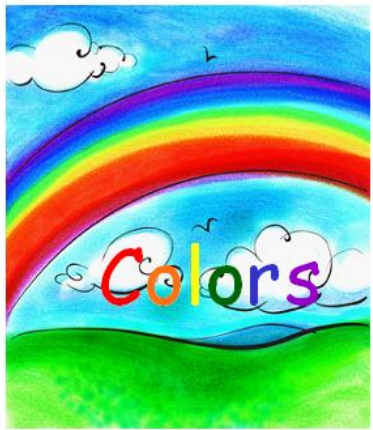

I am orange today
Loud and messy like finger paint
on the wall.

I am purple today
Bright and happy like a butterfly
in the air.

I am yellow today
I shine my light out like the sun.

I'm a rainbow today
All the colors of the world are in me.

I am red today
Hopping mad like a playground ball.

I am black today
Strong and tall like a great big bear.

I am white today
Soft and quiet like new snow.

I am blue today
Calm as glass and cool like the sea.
