

OMazing Kids Yoga: Therapeutic Yoga for Kids and Teens with Autism

Quick facts from my presentation at the Oklahoma Statewide Autism Conference on 11/19/11

- 60-65 attendees
- Diverse audience of parents, teachers, OT's, SLP's, PT's, psychologists, behavior therapists, music therapist, etc.
- 25% of the audience were parents/relatives of kids & teens with ASD
- 75% of the audience were professionals who work with kids & teens with ASD
- Ages of the kids & teens they care for or work with:
 - Toddlers – 6%
 - 3-5 year olds – 27%
 - 6-12 year olds – 42%
 - 13 year olds & older – 25%
- Attendees were from 15 different school districts + 15 different agencies/programs
- Attendees were from 22 different towns across Oklahoma (see map)
- A total of 163 kids yoga & relaxation products donated by 35 different companies/individuals across the US & Canada with a total retail value of over \$2,500 were given away to participants as door prizes
- Each participant received a couple of door prize products to best fit their needs based on age of the kids, their role, the setting, etc....

Data based on attendee door prize registration forms & discussion as door prizes were distributed
